

# LOOK INSIDE YOUR HEART

*Words & Music by Allen Power*

Side by side we stood at the altar,  
Hand in hand we've walked through these days.  
Step by step we guided children's feet when they faltered;  
Now I go on alone and you must stay.

Shed a tear but don't forget the laughter.  
Say a prayer but don't forget to dance.  
Though we fear the dark, let us seek a morning after,  
As each new day gives life another chance.

*Though you speak not my name, I am with you,  
Like the sun upon your face, or a cool breeze through your hair.  
Do not think me gone; you'll never be alone.  
Look inside your heart - I'll be there.*

When I'm gone don't let despair control you;  
Climb a hill or walk a wooded lane.  
Count the stars above, smell the flowers below you,  
Or help a troubled friend to ease his pain.

If you fall, my love will restore you.  
If you get lost, the wind will call your name.  
And when you reach the end, I'll be standing before you,  
As we cross the threshold, side by side, again.

*Chorus*
